3. Post-round share allotment math (₹75L for 10%)

To grant Sundar Venkatraman a clean 10% post-round, Larinova will allot 111 new equity shares at a premium calculated to deliver the agreed valuation. The math is shown below; the company secretary will produce the formal share certificate on board approval.

VARIABLE	VALUE	DERIVATION
Pre-money valuation	₹6,75,00,000	= ₹7.5 Cr post-money – ₹75 L investment
Post-money valuation	₹7,50,00,000	Agreed
Investment amount	₹75,00,000	Sundar's cheque
New shares to issue	111	= 1,000 × (10 / 90) = 111.11 → rounded to 111
Total post-round shares	1,111	= 1,000 + 111
Issue price per share	₹67,567.57	= ₹75 L / 111 shares
— Of which face value	₹10.00	Standard equity share face value
